Transfer of Funds from Operable Unit No. 15 (OU15) to Operable Unit No. 10 (OU10)

Jack
J. M. Kersh, Associate General Manager
Environmental and Waste Management
EG&G Rocky Flats, Inc.

This memorandum is in response to EG&G memorandum 92-RF-5433, dated May 22, 1992, regarding the transfer of funds from Operable Unit No. 15 (OU15) to Operable Unit No. 10 (OU10). We approve the strategy outlined in your memorandum regarding the transfer of funds to OU10.

We request that the this transfer be pursued immediately through the Plant Change Control Board.

As an additional note, in a June 22, 1992 letter from CDH containing EPA and CDH comments on the Final RFI/RI Work Plan for OU10, DOE/RFO was directed to revise the Work Plan and submit the revised Work Plan by July 1, 1992. Due to our delay in responding to your May 22, 1992 memorandum, we will be asking CDH and EPA for an extension from the July 1 date to July 17, 1992. We will keep you informed of the extension request status.

Questions regarding the funds transfer should be directed to Jen Pepe (OU15) at extension 2184 or Bruce Thatcher (OU10) at extension 3532. Questions regarding the extension request status should be directed to Bruce Thatcher.

James K. Hartman
James K. Hartman
Assistant Manager
for Environmental Management
